TURN

OUR

BACK

ON

YOU

PILAA ADVISORY

PILAA ADVISORY

Join up to our PILAA Advisory scheme, for a more flexible membership, paid by the hour, solely dedicated to having a critical friend for all your equality, diversity and inclusion needs, and strategic thinking.

We acknowledge that managing time and budgets can be tough; yet compromising on the importance of this work should not come as a result. PILAA Advisory gives you access to one of our team of experts to support you in your organisational thinking.

As a critical friend, we pride ourselves on being good at what we do, and we speak with a balanced yet compelling, non-judgmental voice. We know we add value to any organisation we have worked with, and our advisory role can see us help you in a number of ways:

KEY BENEFITS

Advisor – We know that most organisations want to get it right, but sometimes get it wrong. For us, it's crucial that we build our trust with you, so that any challenging conversations can be shared with a critical friend who 100 percent has your back!

Meetings – We can give organisational updates on your EDI progress by attending and speaking at key meetings or to relevant stakeholders, whether regionally, locally or directly within your teams, further helping to generate buy-in for this work.

Strategy – Supporting you on your strategic thinking, mapping out frameworks, action plans, reviewing policy and relevant statements.

Tenders – As a secret weapon, we can support you with your tender submission, evidencing your commitment to EDI, as well as helping you to identify and talk about what you're already doing well. Having us onboard has proven successful for clients we've worked with.

COST

- A £300 one-off sign-up fee
- £50 per hour thereafter (with a 3hr minimum booking)
- A flat fee of £300 if booked for the day (09:00 – 17:30)

WANT TO PROCEED?

To get us on board to support you on your projects, however big or small, please email info@pilaa.co.uk stating **PILAA Advisory** in the subject heading.
